A-List Accommodations

The Viceroy New York isn't a hotel — it's an experience. How else do you explain Gwyneth Paltrow's fave haunt having an exclusive custom fragrance created for its handsome halls? And the indoor pool, rooftop lounge and views of Central Park aren't too shabby, either.

H2O Reinvented

Sip, savor and make a statement! Eco babes love the Fiji Straw (six for \$9.99) because it's reusable, dishwasher safe, BPA free and screws right on top of their fave water brand. Bonus? It keeps Hillary Duff's lipstick intact while she hydrates.
