Dazzle Them With Monique Lhuillier

The new 2007 Platinum Collection for Monique Lhuillier is simply breathtaking. Over the past six years, Monique has taken the fashion industry by storm. She and Tom Bugbee, a young, dynamic husband and wife team, founded the upscale bridal company in 1996. Today, Monique Lhuillier is considered one of the leading innovative fashion houses in terms of design, quality and brand

image. In the heart of Beverly Hills, the Monique Lhuillier boutique offers world-class service and a wide selection of her latest ready-to-wear and bridal collections, as well as some custom offerings. Her famous designs have been featured on such fashion forward television shows as *Sex and the City* and *Will & Grace*, and is a favorite among many celebrities. Is it any wonder Monique Lhuillier is taking the fashion industry by storm?

Unique New York Venue

Located at the northeastern tip of the Central Park Lake is the Loeb Boathouse Restaurant, a park icon. During any season, there are picturesque views of both the lake and grounds. You can greet guests as you arrive on your own personal gondola. The ballroom decor is somewhat of a country estate, perfect for a Tuscan theme wedding or affair. Visit www.Thecentralparkboathouse.com for more information and to view the rooms they offer. You can also reach the Boathouse directly at 212.517.2233.

Make a Nightmare a Dream

As all mothers of the bride and groom know, dress shopping could be a nightmare. But that's not the case at Bridal Accents and Evening Wear, of East Hills. The shop carries some of the most breathtaking and fabulous gowns on Long Island. I've even purchased gowns there, for some pretty well-known Hollywood socialites. Call and make an appointment or drop in to view their collections. Bridal Accent and Evening Wear, 300 Glen Cove Road, East Hills. Call 516.621.2010
